HAEA in Action April Newsletter

#StandUpStrong4HAEedu

May 16th is hae day :-)) and this year we are focusing on providing Emergency Room and/or hospital staff with HAE related educational materials. The HAEA has created an HAE ER Tool Kit with important information that you can share with your local emergency facility. The

Tool kit contains an overview of HAE symptoms, diagnosis, and treatments along with links to a HAEA sponsored accredited Continuing Medical Education video designed for Emergency Room professionals.

By distributing this Tool Kit to your local emergency room, you will provide important information that will (1) lead to better treatment of HAE patients in your community and (2) help ER staff identify people who should be tested for HAE.

Looking for even more ways to spread awareness and empower your HAE community? Once you've received your HAE ER Tool kit, take a picture and post it online using our hashtag *#StandUpStrong4HAEedu* and encourage more people to order! Your action to educate others will dramatically improve the quality of care received by HAE patients. We appreciate your effort and hope that you will continue to Stand Up Strong for HAE Education!

2017 US HAEA Summit - Stand Up Strong!

The US HAEA is excited to announce our upcoming National Patient Summit taking place from September 15th through 17th in Bloomington, Minnesota. This year's theme, "Stand Up Strong", is a unifying call to action for the HAE community and a celebration of work being done by HAE champions who make a difference every

day by raising HAE awareness within their communities.

The 2017 meeting is open to the entire US HAEA patient community and will feature educational lectures, one-on-one learning opportunities with HAE expert physician/researchers, the chance to participate in on-site HAE research, a fun evening that includes dinner and entertainment to enjoy with members of your HAE community, another exciting HAE-IN-Motion® 5K walk/run, and much more. And, don't miss the HAEA Summit Youth Programs! This year's Youth Programs offer exciting events for children and teens attending the conference. There will be educational sessions, fun activities and time to get to know other kids and teens in the HAEA community. A super fun off-site TEEN trip for ages 12-17 is planned for Saturday, September 16, while kids 5-12 will enjoy their time together on-site at the SUMMIT venue.

Watch For the Opening of Summit Online Registration Coming Soon!
