## HAE Awareness!

The US HAEA continues to focus its efforts on raising awareness of HAE. With the expected changes in our healthcare system this year it is more important than ever to raise awareness of this rare and potentially fatal disease, the challenges patients face each day, and the importance of ensuring access to medications that provide life-long health. Always at the forefront, the HAEA has a full schedule of events planned for this year and we hope that *you* can be a *champion* in one or more.

---

## Save the Date for HAE day!

On May 16th of every year **hae day :-)** is celebrated around the **world**. On this day, patients and families raise awareness of HAE among the general public and medical community. You can take part in any of the HAEA's scheduled activities or we can help you plan your very own event - the success of **hae day :-)** is strengthened by the support of you, our HAEA members.

Click [HERE](#) and Find out MORE about HAE Day!

---

## Shop HAE!

There are still a limited number of **hae day :-)** t-shirts for **hae day** on sale! All shirts are \$5.00 each (while supplies last)! We still have long sleeve and short sleeve shirts available!

Click [HERE](#) and Shop for Everything HAE!

# HAE in Motion 5K Run/Walks

Would you like to run or walk on behalf of a loved one with HAE? Have you been looking for an opportunity to **fundraise for research** or to raise awareness of HAE? Be a team captain and create a team for one of our HAE-In-Motion 5k events!

The HAEA has been there from the beginning, to provide resources to our members, to work toward the development of new HAE therapies, and to advance HAE research. We value the continued support of our HAEA members as well as our supporters in the general public. Join us in standing strong for patients with HAE and their families.

Find a location near you and register today! Together we can stand up strong! For more information or to register, go to <http://events.haea.org/>
