## HAE in Motion 5K Run/Walks in High Gear!

Spring is just around the corner and HAE patients, families and friends throughout the nation are gearing up for HAE-in-Motion 5K races! This year, thirteen races are scheduled in cities across the country, giving you plenty of opportunities to join the action and **Stand Up Strong** for HAE patients.

The HAEA has worked for over 16 years to support the development of new HAE drugs, patient resources, and research. HAE-in-Motion events serve as our largest national fundraising platform, helping in our mission of improving the quality of lives of those living with HAE, and ultimately, finding a cure.

We encourage you to be a team captain and create a team, help us spread the word and fundraise, show up and run/walk or simply cheer for one of our HAE-In-Motion 5K events today! Join us in our fight to

improve the lives of patients with HAE and their families.
