Shaikh, Anna Chenoweth, Sally Urbaniak and Troyce Venturella, exchanged ideas and information on the topic of HAE with leading allergist/immunologists and other attendees on the national and international level. This annual conference presents an important opportunity for the HAEA to raise awareness among specialty physicians about the challenges of diagnosing HAE.

Follow us on Instagram and Twitter!

The HAEA is now active in more social media platforms, helping us be better connected to our HAE community and their needs. We're excited to join you in your everyday living with HAE through the multiple digital platforms, and look forward to sharing more experiences together. Follow us on Instagram and Twitter and let's keep the conversation going!
